Class E: Theme silence

1. Patrik Kolmodin, SWE

Image that brings peace to the soul, completely still water and pleasant twilight over the water. Nicely lit and an unusual composition that works well.

2. Johan Björklund, SWE

An image that can be perceived as both calm and full of speed. Good combination with light rays against the seagrass.

Class E: Theme silence

3. Pekka Tuuri, FIN

Here time has clearly stood still!
